

We are currently hiring for a **Clinician I School Based (Day Treatment)** at our Fulton, NY location. This is a full time (40 hour) position with hours being between Monday-Friday between 8am – 4:00pm.

The Clinician I is responsible for the assessment and delivery of quality mental health care to youth and families. The Clinician will work on a multi-disciplinary team, assessing youth/family needs, and is responsible for developing, assessing and modifying the individual service plan in collaboration with the youth/family and multi-disciplinary treatment team.

Essential functions of this job include, but are not limited to:

- The Clinician will provide individual and group therapy, including structured and process groups, within the designated setting.
- The Clinician will utilize experience, education, age-specific knowledge and cultural competence in order to assess and treat clients to achieve positive and successful outcomes and routinely successfully uses problem-solving skills.

Requirements: Master's degree in social work, mental health counseling or related area of study is required. NYS Professional License in area of study is preferred, however, candidates who are license eligible upon hire may be considered. Candidates with 1-3 years of experience as a clinician are preferred. Candidates must have thorough knowledge of the services provided, well developed advocacy skills, and knowledge and understanding of payment processes for services. Candidates should have a valid driver's license and meet agency driving standards. This person needs to be licensed eligible and obtain the license after hire.

Consistent with state professional licensing laws, additional restrictions might apply.

- Licensed Clinical Social Worker
- Licensed Master Social Worker
- Licensed Marriage and Family Therapist
- Licensed Psychologist
- Licensed Mental Health Counselor
- Licensed Creative Arts Therapist
